## Anglopreneurs Meeting 25/10/16

*Which business structure should I choose?*

Autoentrepreneur

EURL

SAS(U)

## *International Business in the EU*

- Transferring the 'siège social' from one country to another
- Why you have to set up a business structure in France
- 'Société Européenne' available in all EU countries
- Companies established in France are subjected to French social and income taxes
- Options for establishing your business in France: branch office? subsidiary? AE?
